ARTICLE I

PREAMBLE

Section 1.01. Legal Authority; Ownership. The Association is a federally chartered institution of the System and as such is an instrumentality of the government of the United States of America under the Act. The Association is owned and controlled by its Shareholders subject to the Regulations and supervision by FCB. It is the objective of the Association to improve the income and well-being of farmers, ranchers and producers and harvesters of aquatic products, and owners of rural homes by furnishing sound, adequate and constructive credit and related services to individuals and to selected farm-related businesses appropriate for efficient farm operations.

Subject to the Act and Regulations, and under the supervision of FCB (where mandated by the Act or Regulations), the Association in its chartered territory possesses and may exercise all lending, participation and similar authorities granted by statute or regulation, as such statutes and Regulations may be amended from time to time, to a Federal land credit association or, with respect to short and intermediate-term credit, a Production Credit Association. Without limiting the foregoing, these include authorities to make, guarantee or participate with other lenders in long-term real estate mortgage loans, short- and intermediate-term loans and other similar financial assistance to: (1) bona fide farmers and ranchers and the producers or harvesters of aquatic products, (2) owners of rural homes, and (3) persons or organizations furnishing to farmers, ranchers, and the producers or harvesters of aquatic products services directly related to their on-farm operating needs. The Association also may provide technical assistance to borrowers, applicants, and members, and may make available, at their option, related services appropriate to their operations to the extent authorized by Regulations. These Bylaws constitute the rules for the internal operation of the Association.

Section 1.02. Relationship with AgTexas, FLCA and AgTexas, PCA. The Association, FLCA and PCA shall conduct an integrated lending operation. FLCA shall make long-term mortgage loans, participate in loans as authorized under the Act and Regulations, and provide financially related services to qualified and eligible borrowers. PCA shall provide short and intermediate-term credit, participate in loans as authorized under the Act and Regulations, and provide financially related services to qualified and eligible borrowers. In addition, all three institutions shall enter into a General Financing Agreement (“GFA”) with FCB for purposes of funding loans originated by the Association, FLCA and PCA pursuant to their respective lending authorities. The indebtedness owed to FCB under the GFA shall be the joint and several obligations of all three institutions. The Association at all times will own all the voting stock of the FLCA and PCA.

Section 1.03. Construction of Bylaws. These Bylaws constitute the rules for the internal operation of the Association. These Bylaws hereby amend, restate, and replace in its entirety any prior bylaws of the Association. These Bylaws shall be construed to be consistent with, and to give effect to, the purposes for which the Association was chartered as set forth in this preamble. These Bylaws shall not be construed in a manner which would result in their being in violation of, or inconsistent with, applicable law or Regulations. No provision of these Bylaws shall be construed to grant FCB, or its corporate successor, any approval authority over the corporate governance of the Association other than that mandated by law.

Section 1.04. Members. Members of the Association shall include all holders of legal title to the Stock as evidenced in the records of the Association, except FCB or another System institution. Any person to whom an Agricultural Credit Association is authorized by the Act and Regulations to extend credit and other related services is eligible to apply for a loan or other related services from the Association and become a member of the Association. In the case of a deceased or legally incompetent member, the executor, administrator, guardian or other legally authorized representative of such Member shall be considered to be the member for the purpose of voting. Each Member, or individual designated in accordance with these Bylaws to vote the Voting Stock of a Voting Shareholder, is authorized to speak on any question being considered at a Members' meeting when recognized by the chairperson of the meeting. Motions (except motions to authorize preferred stock) and nominations or seconds thereto may be made and voted on only by Voting Shareholders of the Association and the individuals designated to vote the Voting Stock of Voting Shareholders in accordance with these Bylaws.

ARTICLE II

OFFICES

Section 2.01. Principal Office. The principal office of the Association shall be at 5004 N. Loop 289, Lubbock, Texas, or at such other place as the Board may designate from time to time.

Section 2.02. Other Offices. The Association may also have offices at such other places as the Board may from time to time determine or the business of the Association may require.

ARTICLE III

SHAREHOLDERS

Section 3.01. Time and Place of Meetings: Sectional Meetings. Meetings of the Shareholders may be held at such times and places as shall be determined by the Board as stated in the Notice of Meeting. The Board may provide for any Annual Meeting to be held in consecutive sectional sessions (“Sectional Session”) at different times and places. In such case, the date of the convening of the first Sectional Session shall be the date of the meeting for the purpose of satisfying time requirements under these Bylaws. Each Shareholder shall be notified of all sessions to be convened and shall be entitled to attend any or all sessions of the Annual Meeting. At each Sectional Session except the last, the meeting shall be adjourned until the next Sectional Session of the meeting. The last Sectional Session must be scheduled for a time no later than fourteen calendar days after the first Sectional Session. The attendance at all Sectional Sessions shall be combined for the purpose of constituting a quorum, but no Voting Shareholder shall be counted more than once for such purpose, and no Voting Shareholder determined as of the Record Date shall be permitted to vote at more than one session. The votes cast at all Sectional Sessions shall be counted together to constitute the vote of the meeting. Nominations from the floor for directors and nominating committee members, and with respect to matters requiring the vote of Shareholders, including the election of directors and nominating committee members, must be introduced at the first Sectional Session of the meeting and so announced in the Notice of Meeting; provided, however, if balloting is by mail as stipulated in Section 4.04(h), nominations may be made at all Sectional Sessions of the meeting. All Shareholder meetings shall be conducted in accordance with procedures deemed fair and reasonable by the chairperson of the meeting who shall preside at the meeting.

Section 3.02. Annual Meetings. There shall be an Annual Meeting at such place(s) in the Association’s chartered territory or within reasonable distance of the Association territory at date(s) and time(s) as the Board may provide. At the Annual Meeting, reports of the Board shall be given by a person designated by the Board. Associations must elect at least one Shareholder-Elected Director at each Annual Meeting, but the vote on the election of such Shareholder-Elected Director or Shareholder-Elected Directors by mail ballot in accordance with Section 4.04(h) may only occur in the period following an Annual Meeting. The reports required by Section 10.07 of these Bylaws shall be presented. Other items of business which may come before the meeting include but are not limited to: (a) determination of a quorum, (b) proof of due notice of meeting, (c) reading and disposition of minutes, (d) annual reports of officers and committees, (e) election of directors and nominating committee, (f) unfinished business, and (g) new business.

Section 3.03. Special Meetings. Special meetings of the Shareholders for any purpose or purposes may be called by the chairperson of the board or the chief executive officer and shall be called by the chief executive officer or secretary at the request in writing of a majority of the Board or at the request in writing of at least ten percent of the Voting Shareholders. Such request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting of Shareholders shall be limited to the purposes stated in the Notice of Meeting. If the Board fails or refuses to order such notice to be made, the Notice of Meeting may be given by the Shareholder(s) making the call in accordance with the provisions of Section 3.04 hereof.

Section 3.04. Notice. Subject to Section 6.01, notices of annual and special meetings of the Shareholders (“Notice of Meeting”) shall be mailed at least ten (10) business days, but not more

than thirty (30) business days, prior to the date of the meeting to all Shareholders. The list of Shareholders entitled to such notice shall be a current list of Shareholders. The notice shall be mailed to the last known post office address of the Shareholder as it appears on the records of the Association. Notices of Meetings shall be in writing and signed by the chairperson of the board, an officer of the Association, or by any other person the Board may designate; provided however, all notices of Annual Meetings must be signed by the chief executive officer, chief financial officer and a member of the Board designated by the Board. The notice shall state the place, day and hour of the meeting (with respect to each session if the meeting is to be held in consecutive Sectional Sessions) and in case of a special meeting, the purpose or purposes for which the meeting is called.

Section 3.05. Quorum; Withdrawal of Quorum. Except as otherwise required by applicable law or Regulation, ten (10) Voting Shareholders in attendance at any Shareholders meeting, or where permitted by Section 3.11 of these Bylaws, represented by proxy, shall constitute a quorum for the transaction of business, except as otherwise provided by law or Regulation. For purposes of determining a quorum at any Shareholders meeting where mail balloting is used for Shareholder-Elected Director elections in accordance with Section 4.04(h), mail ballots shall be used to determine a quorum. If less than a quorum is present at any meeting of the Shareholders, the chairperson of the meeting may adjourn the meeting from time to time until a quorum is obtained. The Voting Shareholders present in person or by proxy at a duly called meeting at which a quorum has been established may continue to transact business until adjournment, notwithstanding the withdrawal of enough Voting Shareholders to leave less than a quorum.

Section 3.06. Majority Vote. When a quorum is present or represented at any meeting, the vote of a majority of the Voting Shareholders determined as of the Record Date, present in person, represented by proxy when permitted by Section 3.11, or voting by mail ballot under Section 4.04(h), shall decide any question brought before the meeting, unless the question is one upon which by express provisions of applicable law or Regulations a different vote is required, in which case such express provision shall govern and control. If a meeting is held in consecutive Sectional Sessions, the results of the votes cast at all sessions of the meeting shall be reported to the members only after the last Sectional Session.

Section 3.07. Lists of Members, Shareholders and Voting Shareholders. The Association shall maintain a current list of the Members, which list shall include all borrowers who are primarily liable for repayment of a loan to the Association, a list of Shareholders, and a list of Voting Shareholders indicating the names of the individuals that are designated in accordance with these Bylaws to vote the Voting Stock of the Voting Shareholders. The lists shall be used when mailing or distributing proxies or ballots, and for other purposes as may be authorized by the Board, subject to the Act and the Regulations. The lists shall also be used to assure that no Voting Shareholder determined as of the Record Date votes more than once in connection with each meeting of the Shareholders. The lists shall also be used for communication among such Shareholders, as provided in the Act and Regulations.

Section 3.08. Record Date. The Board may fix in advance the close of business of a date, not less than ten (10) business days, but not more than ninety (90) business days, preceding the date of any meeting of Shareholders ("Record Date"). Such Record Date shall be used for the determination of the Voting Shareholders entitled to vote at the meeting. In the absence of contrary action by the Board, the date on which the last Notice of Meeting is mailed or delivered shall be the Record Date for determination of Voting Shareholders entitled to vote at any such meeting.

Section 3.09. Entitlement to Vote; Number of Votes. Except as may be otherwise expressly provided by applicable law or Regulations or as may be specifically provided elsewhere in these Bylaws, only Voting Shareholders determined as of the Record Date shall be entitled to vote at any meeting of the Shareholders. Each holder of Voting Stock determined as of the Record Date, regardless of the number of shares of Stock held and regardless of the number of joint or single loans the Shareholder may have with the Association, shall be entitled to one vote on each matter submitted to a vote at a meeting of Shareholders. In the case of a joint loan, the vote may be cast by only one of the joint holders authorized and designated by the other joint holders in a writing filed with the Association. The vote of a Voting Shareholder which is a legal entity shall be cast by an individual duly authorized in a writing filed with the Association, so long as that individual holds equity in, or is an officer or trustee of the entity. In no event may an individual vote more than once, nor shall any Voting Shareholder be entitled to cumulate votes.

Section 3.10. Voting of Treasury or Fiduciary Shares. Shares of its own Stock belonging to the Association or held by it in a fiduciary capacity shall not be voted, directly or indirectly, at any meeting and shall not be counted in determining the total number of outstanding shares at any given time.

Section 3.11. Proxies. At any meeting of the Shareholders, any Voting Shareholder determined as of the Record Date may be represented and vote by a proxy appointed by an instrument in writing; provided, however, voting by proxy shall only be permitted with respect to matters for which proxy voting is expressly permitted under the Act, or the Regulations, and provided further that proxy voting shall not be permitted with respect to election of directors or nominating committee members. Proxy forms and ballots shall be prescribed by the Board. The proxy shall be filed with the secretary of the Association prior to any and all sessions of the meeting. In the event that the written instrument shall designate two or more persons to act as proxies, a majority of such persons present at the meeting (or, if only one shall be present, then that one) shall have and may exercise all of the powers conferred by such written instrument upon all of the persons so designated, unless the instrument shall provide otherwise. No proxy shall be valid after the expiration of eleven months from the date of its execution unless coupled with an interest, or unless the person executing it specified therein the length of time for which it is to continue in force, which in no case shall exceed seven years from the date of its execution. Subject to the above, any proxy duly executed is not revoked and continues in full force and effect until a written instrument revoking it or a duly executed proxy bearing a later date is filed with the secretary of the Association. Subject to the foregoing, a Voting Shareholder may revoke a proxy in writing before voting begins at the Shareholders meeting. Voting in person or by proxy shall be used in mergers of the Association with other System associations and on other matters where required under the Act or Regulations.

Section 3.12. Method of Voting; Action Without Meeting. Whenever the vote of Voting Shareholders at a Shareholder meeting is required or permitted to be taken in connection with any Association action by any provision of applicable law or Regulations, the meeting and vote of Voting Shareholders may be dispensed with if all the Voting Shareholders determined as of the Record Date who would have been entitled to vote upon the action if the meeting were held shall consent in writing to the action's being taken. At all Shareholder meetings the manner of voting shall be at the discretion of the chairperson of the meeting unless any Voting Shareholder at the meeting shall demand voting by written ballot or unless otherwise specified by law, Regulations or these Bylaws, in which event voting shall be conducted by written ballot or as otherwise so

specified; provided however, that with respect to any proceeding subject to a vote of the Voting Shareholders: (a) signed ballots shall not be used; and (b) measures shall be implemented to safeguard the voting process for the protection of the right of Voting Shareholders to a secret ballot. The foregoing shall not impair the Association's ability to use mail balloting in the election of directors and nominating committee members as provided in Section 4.04(h).

Section 3.13 Minutes of Meeting. The secretary of the Association shall act as recording secretary at all meetings of Shareholders, unless some other person is designated by the Board or chairperson of the meeting to serve in that capacity.

ARTICLE IV

Each Voting Shareholder determined as of the Record Date, regardless of the residence of the Voting Shareholder, is entitled to vote for all Shareholder-Elected Directors. The Board may change the number and boundaries of such Regions from time to time as it deems necessary or appropriate to ensure equitable representation.

A salaried officer or employee of any System institution is not eligible to be elected or appointed and may not serve as a director of the Association nor shall any such person be elected or appointed as a director of the Association within one (1) year after ceasing to be employed by the Association or any other System institution. A person who is a director, officer or employee of a non-System financial institution which is authorized to make the same types of loans that may be obtained from the Association shall not be eligible to be elected or appointed as a director of the Association and may not serve as a director of the Association.

Section 4.03. Nominating Committee.

(a) Commencing at the Annual Meeting to be held in 2023, at each Annual Meeting, the Voting Shareholders determined as of the Record Date shall elect a nominating committee consisting of one Shareholder who owns or jointly owns Voting Stock from each Region to serve as members and one Shareholder who owns or jointly owns Voting Stock from each Region to serve as an alternate member; provided however, only one Shareholder jointly sharing ownership

of the Voting Stock of the Association may seek the opportunity and serve on the nominating committee within an election cycle. Notwithstanding the foregoing, an individual designated in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder may serve as a member or alternate on the nominating committee of the Association so long as that individual meets all of the other requirements for serving on the nominating committee of the Association. The nominating committee shall operate under policies and procedures approved by the Board consistent with applicable Regulations.

(b) Each member and alternate of the nominating committee at the time of nomination must reside in the Region corresponding to the seat. An individual is deemed to reside where the individual maintains his or her primary residence, and a Voting Shareholder is deemed to reside where the individual designated to cast the vote in accordance with the Bylaws maintains his or her primary residence. Voting Shareholders who do not reside in the Association's chartered territory are treated as residing in the Region where the branch servicing their loans are located but are not eligible to serve as members of the nominating committee. Each Voting Shareholder determined as of the Record Date, regardless of the residence of the Voting Shareholder, is entitled to vote for candidates for each Region.

(c) Notwithstanding anything contained herein to the contrary, no person shall be nominated, elected or appointed, or allowed to continue to serve as a member or alternate of the nominating committee of the Association, if that person is the spouse, parent, sibling, natural or adopted child, mother-in-law, father-in-law, son-in-law, or daughter-in-law of a: (i) director of the Association, (ii) nominee for election to the Board, (iii) member or alternate of the nominating committee of the Association, (iv) nominee for election to the nominating committee of the Association, or (v) salaried officer of the Association.

(d) Should any member(s) of the nominating committee be unable or unwilling to serve, such vacancy on the nominating committee shall be filled: first, by the alternate elected by the Voting Shareholders to represent the Region in the event of a vacancy; second, from among the alternates, if any, by a vote of the remaining members of the nominating committee; and third, if there are no alternates eligible to serve, the remaining members of the nominating committee shall fill the vacant position(s) from among the Voting Shareholders willing to serve.

(e) The members of the nominating committee shall be elected to serve for a term of one year. A member of the nominating committee is eligible to be elected to serve as a member of the nominating committee for up to three consecutive one-year terms. After the expiration of three consecutive one-year terms as a member of the nominating committee, a person must be absent from membership on the nominating committee for at least one year before becoming eligible for election to the nominating committee. An alternate elected by the Voting Shareholders that does not fill a vacancy on the nominating committee is not subject to the three consecutive one-year term limit set forth above.

(f) The Association will provide the nominating committee reasonable access to administrative resources in order to perform its duties, including an outside consultant to assist and guide the committee in its work. The nominating committee will be provided a current list of the Shareholders of all classes of Stock of the Association as set forth below, the most recent Bylaws, and the Association's Director Qualifications Policy. At the request of the committee, the Association shall provide a summary of the current Board self-evaluation. However, the

Association will require a written pledge of confidentiality by committee members prior to releasing evaluation documents. The nominating committee shall review a current list of Shareholders of all classes of Stock of the Association. Such list shall (i) denote the class of Stock held by each such holder, and (ii) shall also include the individuals designated in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder.

(g) The nominating committee shall evaluate the director candidate's qualifications, including consideration of whether there are any known obstacles preventing a candidate from performing duties as a Board member, ascertain their willingness to serve, and submit for election a slate of eligible candidates which shall include at least two (2) nominees for each Shareholder-Elected Director position to be filled. No individual shall be eligible to be nominated as a candidate for election to the Board in the same election cycle for which the nominating committee is identifying candidates if that individual was elected to serve on the nominating committee and attended any meeting called by the nominating committee. No individual may be nominated and placed on the ballot for more than one (1) Region in a single election cycle. Subject to the requirements with respect to Regional representation, the nominating committee shall attempt to assure equitable representation to all portions of the Association's operating territory and, to the extent possible, to all types of agricultural practices within the territory.

(h) If the nominating committee, after diligent effort, is unable to identify more than one eligible candidate who is willing to run for a Shareholder-Elected Director position that is to be filled, it shall promptly submit to the Board a written explanation of the reasons why it is unable to find more than one such nominee. If, after three business days following receipt of such explanation, the Board has not sent to the nominating committee a written objection to such explanation, the nominating committee shall be deemed to have authority to submit a slate of nominees providing for only one nominee for such position, to the extent described in the explanation. The description of nominating committee's efforts to identify more than one eligible candidate shall be included in the Association's annual meeting information statement.

(i) A majority of the members of the nominating committee shall constitute a quorum for transacting business of the committee. The committee shall keep minutes of its deliberations which shall be turned over to the secretary of the Association to be maintained in accordance with the Association's records disposal schedule.

(j) At the Annual Meeting, the nominating committee shall present a list of candidates who meet all the eligibility requirements imposed by the Regulations, Bylaws and the Association's policies for the Voting Shareholders determined as of the Record Date to consider in electing the nominating committee for the ensuing year. The nomination of candidate(s) for election to the nominating committee may be made from the floor by Voting Shareholders and individuals designated in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder. Nominations from the floor must be eligible and qualified candidates who comply with the Region requirements to which the nominating committee seat is assigned. In accordance with Section 3.01, in the event of Sectional Sessions, nominations from the floor will only be accepted at the first Sectional Session; provided however, if the voting shall occur by mail in accordance with Section 4.04(h) below, nominations from the floor will be accepted at each Sectional Session. The nominators must be Voting Shareholders or individuals designated in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder. The nominees must be Shareholders that own or jointly own the Voting Stock or individuals designated

in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder. Each nominee shall be responsible for providing in paper or electronic form such nominee's biographical and disclosure information as required by law, Regulations, these Bylaws, and the policies of the Association at such session; provided, however, if voting shall not occur at such session, such nominee's biographical and disclosure information must be received by the Association no later than three (3) business days of the nomination. Disclosure information forms will be available at the Association's corporate office for any potential floor nominee consideration and at the Annual Meeting.

(k) Upon receiving a floor nomination and a "second", the floor nominee must state at the meeting if he or she accepts the nomination for election to the nominating committee. If the floor nominee accepts the nomination, the Annual Meeting process will be stopped until initial eligibility is determined. The nominee's biographical, and disclosure information (if available), will be immediately reviewed by the Association's chief executive officer or designee and due diligence performed to determine initial eligibility. After initial eligibility is determined, the meeting will proceed.

(l) Following the Annual Meeting, the Association shall as necessary conduct additional due diligence to determine if the floor nominee meets all the eligibility requirements imposed by the Regulations, Bylaws and the Association's policies. Floor nominees meeting all eligibility requirements will be placed on the ballot. If the floor nominee is ineligible to be elected to the nominating committee for the Region nominated, the floor nominee shall be removed from the ballot. If a newly elected nominating committee member is determined to be ineligible, the nominating committee member shall be immediately removed from office.

(m) The requirements for a floor nomination of candidates for election to the nominating committee shall be included in the Association's annual meeting information statement as well as in the notice provision for any nominating committee elections.

Section 4.04. Voting on Shareholder-Elected Directors.

(a) The Voting Shareholders determined as of the Record Date shall elect each year one or more Shareholder-Elected Directors as may be required to fill the position of each Shareholder-Elected Director whose term is expiring or to fill any vacancy on the Board other than the Appointed Director position(s). At the Annual Meeting where any Shareholder-Elected Director is to be voted upon, the nominating committee shall present a list of candidates who meet all the eligibility requirements imposed by the Regulations, Bylaws and the Association's policies for the Voting Shareholders determined as of the Record Date to consider in electing Shareholder-Elected Directors. The Association shall as necessary conduct due diligence to determine if the nominees meet all the eligibility requirements imposed by the Regulations, Bylaws and the Association's policies. Candidates nominated by the nominating committee meeting all eligibility requirements will be placed on the ballot. The nomination of additional candidate(s) for election of Shareholder-Elected Directors may be made from the floor by Voting Shareholders and individuals designated in accordance with these Bylaws to vote the Voting Stock held by a Voting Shareholder. Nominations from the floor must meet the same eligibility and qualification requirements as candidates nominated by the nominating committee. Nominations from the floor must be eligible and qualified candidates who comply with the Region requirements to which the Shareholder-Elected Director seat is assigned as set forth in Section 4.01. In accordance with

Section 3.01, in the event of Sectional Sessions, nominations from the floor will only be accepted at the first Sectional Session; provided however, if the voting shall occur by mail in accordance with Section 4.04(h) below, nominations from the floor will be accepted at each Sectional Session.

(b) The nominees for Shareholder-Elected Director positions must be Shareholders that own or jointly own the Voting Stock or individuals designated in accordance with these Bylaws to vote the Voting Stock held by a Shareholder. Each nominee shall be responsible for providing in paper or electronic form such nominee's biographical and disclosure information as required by law, Regulations, these Bylaws, and the policies of the Association at such session; provided, however, if voting shall not occur at such session, such nominee's biographical and disclosure information must be received by the Association no later than three (3) business days of the nomination. Disclosure information forms will be available at the Association's corporate office for any potential floor nominee consideration and at the Annual Meeting.

(c) Upon receiving a floor nomination and a "second", the floor nominee must state at the meeting if he or she accepts the nomination for election to the Board. If the floor nominee accepts the nomination, the Annual Meeting process will be stopped until initial eligibility is determined. The nominee's biographical, and disclosure information (if available), will be immediately reviewed by the Association's chief executive officer or designee and due diligence performed to determine initial eligibility. After initial eligibility is determined, the meeting will proceed.

(d) Following the Annual Meeting, the Association shall as necessary conduct additional due diligence to determine if the floor nominee meets all the eligibility requirements imposed by the Regulations, Bylaws and the Association's policies. Floor nominees meeting all eligibility requirements will be placed on the ballot. If the floor nominee is ineligible to be elected to the Board for the Region nominated, the floor nominee shall be removed from the ballot. If a newly elected Shareholder-Elected Director is determined to be ineligible, the Shareholder-Elected Director shall be immediately removed from office.

(e) The requirements for a floor nomination of candidates for election to the Board shall be included in the Association's annual meeting information statement as well as in the notice provision for any Shareholder-Elected Director elections.

(f) Voting Shareholders determined as of the Record Date shall cast secret ballots and the chairperson conducting the election shall appoint a tabulator ("Tabulator"), which shall be a tellers committee of eligible Voting Shareholders or an independent third party to tally the ballots. Salaried officers and employees of the Association and Voting Shareholders who are directors, candidates, employees or members of the nominating committee and alternates are ineligible to serve as the Tabulator. All candidates shall be listed on the ballot by the position to be filled. If more than one position is to be filled, the election for each position shall be conducted independently. Incumbents will not be designated as such on the ballot. The candidate receiving the greatest number of the votes cast for each position shall be declared elected.

(g) If voting shall occur at the Annual Meeting:

i. The Tabulator shall convene to tally the ballots and shall certify and report the results to the chairperson conducting the election who shall inform the Shareholders of the results.

ii. If the meeting is held in consecutive Sectional Sessions, the results of the votes cast at all sessions of the meeting shall be reported to the Shareholders only after the last Sectional Session.

iii. If no individual is elected to a position because of a tie vote, a runoff election between those tying shall be held. The ballots shall be cast and counted and the results shall be reported to the Shareholders in the same manner as in the original election. If the runoff election results in no person being elected to a position because of a tie vote, the tie vote shall be broken by the toss of a coin. If the meeting is held in consecutive Sectional Sessions and no individual is elected to a position because of a tie vote, the tie shall be broken by reballoting, by mail and the results reported to the Members as outlined in Section 4.04(h). Notwithstanding the above, if any tie vote is between only two candidates and the two candidates agree, the tie may be broken by the toss of a coin in place of a runoff election.

(h) The Board may elect to hold all voting for Shareholder-Elected Directors and nominating committee members by mail ballot and such determination must be announced in the Notice of Meeting. The procedure for such mail ballot shall be as follows:

i. Within fifteen (15) business days following the date of the Annual Meeting, or of the last Sectional Session, if the Annual Meeting is held in consecutive Sectional Sessions, a ballot shall be mailed by U.S. mail to each Voting Shareholder determined as of the Record Date.

ii. Mailing a ballot to a Voting Shareholder's postal address as recorded in the books and records of the Association shall be conclusive evidence of receipt of the ballot by the Voting Shareholder.

iii. In addition to U.S. mail, the Board may authorize ballots to be cast by electronically in accordance with Regulation 611.100(c). The Association shall use balloting procedures, such as an identity code, that can be used to identify whether a Shareholder is eligible to vote or has previously submitted a vote.

iv. Once the Tabulator receives a ballot, the vote of that Voting Shareholder is final. A subsequently received ballot from that Voting Shareholder will be disregarded.

v. The election polls shall be closed at the end of the fifteenth (15th) business day following the date on which the ballots are mailed to the Voting Shareholders determined as of the Record Date.

vi. On the first business day after the polls are closed, the Tabulator shall convene to tally the ballots returned prior to the closing of the polls.

vii. The Tabulator shall certify and report the results of the election to the chief executive officer of the Association.

viii. The tallying of ballots shall be under the supervision and guidance of a Tabulator, who may be the Association's external legal counsel or an auditing firm, appointed by the Board. The Tabulator shall certify as to the results of the election prior to any public announcement of the results of the election.

ix. If voting is conducted by mail ballot and no individual is elected to a position because of a tie vote, the tie vote shall be broken by the toss of a coin.

Section 4.05. Voting on Appointed Directors. The Appointed Directors (including both Other Appointed Directors and Outside Directors) shall be elected at a meeting of the Board duly called and regularly held as soon as practical following either the expiration of the term of office of the Appointed Director(s) or at the time the position of an Appointed Director becomes vacant for any reason. An Appointed Director may be removed before his or her term expires by action of the Voting Shareholders determined as of the Record Date or by a two-thirds vote of the full Board. The Appointed Director subject to the removal action is prohibited from voting in his or her own removal action.

Section 4.06. Term of Office. A Shareholder-Elected Director shall serve until the third Annual Meeting after being elected, and thereafter until such director's successor is elected and qualified. An Other Appointed Director and Outside Director shall serve until the Board meeting following the third anniversary of his or her election, or for the unexpired portion of the term for which the director was elected if the director were elected to fill a vacated position on the Board provided, however, that each director shall continue in office until a successor is elected and qualified. Notwithstanding the foregoing, a director's term of office shall terminate if the director shall resign, be removed from office, become unable to act by reason of death or disqualification or if the term of the director's position is shortened or terminated by action of the Voting Shareholders in connection with a merger or consolidation.

Section 4.07. Staggered Terms. If as a result of a change in the number of directors or for any other reason the terms of directors do not expire on a staggered basis, the terms of the directors elected thereafter shall be for such periods not to extend beyond the third Annual Meeting thereafter with respect to directors elected by the Voting Shareholders, and not to extend beyond the first Board meeting following the third anniversary of his or her election with respect to an Appointed Director, as will establish or re-establish expiration of terms of directors on a staggered basis.

Section 4.08. Vacancies.

(a) Subject to Section 5.34 of the Act, whenever a vacancy occurs in one or more of the Shareholder-Elected Director positions other than from the expiration of a term of office, the remaining directors shall by majority vote appoint an eligible qualified holder or joint holder of Voting Stock in the Association or individual designated to vote the Voting Stock held by an entity in accordance with these Bylaws to fill the vacancy until the next Annual Meeting or special meeting of Shareholders called for that purpose. Any director so appointed by the Board shall not be treated as a Shareholder-Elected Director elected by the Voting Shareholders for purposes of the Regulation requiring that at least 60% of the directors must be Shareholder-Elected Directors elected by the Voting Shareholders. If such appointment would cause the number of Shareholder-Elected Directors elected by the Voting Shareholders to be less than 60% of the total number of directors then in office, the Board shall call a special meeting of Shareholders to fill the vacancy. If the vacancy occurs within six months preceding the next Annual Meeting, and the Shareholder-Elected Directors then in office who were elected by the Voting Shareholders constitute at least 60% of the total number of directors then in office, the Board may elect not to appoint a replacement and instead keep the position vacant until such Annual Meeting.

(b) Whenever a vacancy in the Other Appointed Director or Outside Director position occurs on the Board, then either (a) the remaining members of the Board, including Other Appointed Directors and Outside Directors will appoint a replacement Other Appointed Directors or Outside Directors, as the case may be, to serve the remaining unexpired term, or (b) the Board will determine to retain the vacancy in the Other Appointed Directors or Outside Directors seat so long as there is at least such number of remaining Outside Directors currently serving as set forth in Section 4.01, unless otherwise provided by law, Regulation, or these Bylaws.

(c) Subject to Section 5.34 of the Act, if all or a majority of the director positions become vacant for any reason, the nominating committee shall promptly meet, and, by a vote of a majority of the committee's members who are present at such meeting (provided a quorum of the committee is present), shall appoint eligible and qualified persons to fill sufficient vacancies on the Board to constitute a quorum. The Board shall thereafter promptly elect eligible and qualified Shareholders who own or jointly own Voting Stock or individuals designated to vote the Voting Stock held by an entity in accordance with these Bylaws to fill the remaining vacancies. Such Directors appointed pursuant to this Section 4.08(c) shall be elected to serve until the next Annual Meeting or a special meeting of Shareholders called to elect director(s).

Section 4.09. Duties of Directors. The Board shall be responsible for the general control and direction of the affairs of the Association. The Board shall determine Association policy consistent with applicable law and Regulations and shall see that its policies are implemented by the management of the Association. In performing its duties, the Board shall exercise all powers of the Association and shall have the authority to take all such lawful acts with respect to the affairs of the Association except those which are specifically reserved to the Shareholders under applicable law, Regulations, the Association's charter or these Bylaws. Unless prohibited by applicable law, Regulations, the Association's charter or these Bylaws, the Board may delegate to an executive committee and such other committees as the Board deems necessary composed of all or less than all of its members the responsibility for performing specific Board functions and may grant to the executive committee such rights, powers and authority as may be necessary to enable the executive committee to carry out those responsibilities.

The Board shall recognize that the Association, FLCA and PCA are responsible for, and dependent on, each other's financial condition. Accordingly, the Board shall manage the Association's affairs and establish policies with the primary objective of improving the three institutions' combined financial condition.

Section 4.10. Board Meetings. The Board may hold both regular and special meetings at such times and locations as may be designated by the chairperson. A director shall be considered present at a meeting if he or she is in tele/video-conferencing or telephone communication with the other directors participating in the meeting. Subject to Section 6.02, notice of any meeting may be waived in writing, either before or after the meeting. Attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except when a director attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called or convened. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board provided that each Board member is made aware of the regularly scheduled time and location for each such meeting and further provided that the meetings are actually held at the regular time and place. Special meetings of the Board may be called by the chairperson of the board or by the chief executive

officer and shall be called by the chief executive officer or secretary on the written request of any two directors. Written notice of the time and place of all special meetings shall be given to each director at least 24 hours before the time of the meeting. Except as may be otherwise expressly provided by law, Regulations or these Bylaws, the matters to be considered and the purpose of any regular or special meeting of the Board need not be specified in the notice of the meeting.

Section 4.11. Quorum; Majority Vote. A majority of the Board then in office at a meeting of the Board shall be necessary to constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board, except as may be otherwise specially provided by law, Regulations or these Bylaws. If a quorum shall not be present at any meeting of the directors, the directors in attendance may adjourn the meeting from time to time without notice other than announcement at the meeting until a quorum shall be present. At any adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. The directors present at a duly convened meeting may continue to transact business until adjournment notwithstanding the withdrawal from the meeting of enough directors so that less than a quorum remains.

Section 4.12. Action Without Meeting. Any action required or permitted to be taken at a meeting of the Board may be taken without a meeting if a consent in writing setting forth the action so taken is signed by all the members of the Board. Such consent shall have the same force and effect as a unanimous vote at a meeting of the Board. The signed consent, or a copy of the signed consent, shall be placed in the Association's minute book.

Section 4.13. Record of Board Action. The Board shall keep minutes of its proceedings, which shall be placed in the minute book of the Association.

Section 4.14. Honoraria. Under policies consistent with the Act and applicable Regulations, the directors may be paid an honorarium for attendance at Board meetings, committee meetings, or for special assignments or for service in leadership roles on behalf of the Association. The Association may also reimburse directors for reasonable expenses incurred in connection with such meetings or assignments in amount determined from time to time by the Board, in accordance with the Act and Regulations.

Section 4.15. Removal. Any director may be removed from the Board by a majority vote of the Voting Shareholders determined as of the Record Date present in person or by proxy at an annual or special Shareholders meeting upon a motion for removal, duly made, seconded and carried, provided the notice of the meeting contains a notification that the removal is to be considered. Any director who is absent for three consecutive regular meetings of the Board may be removed from office by a vote of a majority of the remaining directors at any regular or special Board meeting provided that such removal vote occurs within sixty days of the date of such director's failure to attend his or her third consecutive regular Board meeting. In addition, an Outside Director or Other Appointed Director may be removed by a two-thirds majority vote of the full Board, excluding the Outside Director or Other Appointed Director who is subject to removal. The reason for removal must be documented in the Board's minutes.

Section 4.16. Other Grounds for Removal. A director shall be disqualified, and the director's seat shall automatically become vacant under the following circumstances and the resulting vacancy on the Board shall be filled as provided in Section 4.08:

(a) The office of any director, whether a Shareholder-Elected Director, Other Appointed Director or Outside Director, shall automatically become vacant in the event such director: (1) files a petition for relief in voluntary bankruptcy, or otherwise institutes suit under applicable voluntary Federal or State bankruptcy, insolvency, or receivership laws; or (2) is adjudged a debtor in an involuntary Federal bankruptcy or placed in receivership in a State proceeding; or (3) seeks reorganization under the Bankruptcy Code of personal business interests or that of a corporation in which the director owns the controlling interest; or (4) is party to a foreclosure proceeding (judicial or nonjudicial) or a voluntary conveyance in lieu of foreclosure involving property in which the director has an interest, which is instituted or executed because of the director's default on indebtedness to a System institution; or (5) is a party to a loan and the Association sustains a charge-off on that loan or if such loan or a portion of such loan is adversely classified by the FCA or FCB with a loan risk rating of 11 or higher; or (6) is not in compliance with the Association's Standards for Loans to Directors and Employees Policy; or (7) is convicted of any felony or any criminal offense involving dishonesty or breach of trust while holding office or is held liable for damages in fraud; or (8) is declared legally incompetent.

(b) In the event that a Shareholder-Elected Director ceases to be a borrower of the Association but continues to hold non-Voting Stock, such director may continue to serve for the remainder of the unexpired portion of the director's term. If a Shareholder-Elected Director ceases to be a Shareholder of the Association, such director's position shall automatically become vacant.

(c) The position of an Outside Director shall automatically become vacant in the event that such director should become an officer, employee, shareholder, or agent of the Association or a director (other than of FLCA and PCA), officer, employee, shareholder, or agent of any other System institution.

Section 4.17. Boards of FLCA and PCA. Upon being elected or appointed as a director of the Association, such director shall automatically become a member of the Boards of Directors of the FLCA and the PCA and shall remain on such Boards so long as such individual remains a member in good standing of the Association's Board.

Section 4.18. Committees. The Board shall establish an audit committee and human resources committee (compensation committee) and may, at its discretion, appoint such other committees as it deems appropriate. The Board shall appoint or discharge any member of such committees, and shall establish a charter for each committee it establishes prescribing the duties and responsibilities of such committee. A majority of the members of any committee shall constitute a quorum. A member of the Board or an employee or director serving on any committee shall withdraw from the meeting of the Board or committee during its deliberation and determination of any matter related to the director's or employee's personal interests and the minutes shall reflect any said recusal. Each committee shall keep a written record of its proceedings. Vacancies on any committee shall be filled by vote of the entire Board.

The Board will elect an audit committee of three (3) or more directors. The audit committee will act according to its written charter, including composition, authorities, and responsibilities. One

member of the audit committee must be a financial expert and designated as such. Audit committee members are expected to act independently of any relationship that would interfere with the exercise of independent judgment and are to be afforded resources to contract for external auditors, outside advisors, and/or administrative expenses. Duties of the committee shall include oversight and review of financial reporting to Shareholders, the review of financial policy, procedures, or reports and the engagement, compensation, or retainage of external auditors. Additionally, the audit committee must oversee internal controls related to financial reporting, and compliance with applicable laws and Regulations, as well as any internal audit functions.

The Board will elect a human resources committee (compensation committee) of three (3) or more directors. The human resources committee (compensation committee) will act according to its written charter, including composition, authorities, and responsibilities. Compensation committee members are expected to be free of any relationship that would interfere with the exercise of independent judgment as a committee member. Duties of the committee shall include reporting only to the Board, review and approval of human resources and compensation policies and plans for senior officers and employees, and approval of the compensation program for senior officers. Sufficient resources must be provided for the human resources committee (compensation committee) to function effectively.

First, ratably to the holders of Preferred Stock, in proportion to the number of shares of such Preferred Stock then issued and outstanding and consistent with the terms of such Preferred Stock until an amount equal to the liquidation preference provided for in the terms of such Preferred Stock established pursuant to this Article VII of all such shares has been distributed to such holders (except that, if the shares of Preferred Stock of different classes have different priorities upon liquidation as contemplated by Section 7.06, distribution shall be first made to the more senior series in accordance with their ranking up to the amount equal to their respective liquidation preferences before distributions are made to the more subordinated series).

Second, to the holders of common stock and participation certificates, pro rata in proportion to the number of shares of units of stock or participation certificates then outstanding until an amount equal to the aggregate par value or unit value of all shares of such stock and participation certificates issued and outstanding has been distributed to such holders;

Section 7.06. Rights and Preferences of Preferred Stock.

7.06.1. Authorization. The Association is authorized to issue preferred stock (“Preferred Stock”) with an aggregate par value of up to \$200 million from time to time in one or more series. The par value of each share of Preferred Stock may vary by series. Preferred Stock may be issued for consideration to holders of Association common stock, and to any person or entity that qualifies as a “qualified” institutional buyer” (as such term is defined in Rule 144A under the Securities Act of 1933), or an institutional “accredited investor” (as such term is defined in Rule 501(a)(1), (2), (3), (7) or (9) under the Securities Act), or other such investor approved by the Regulations at the time of issuance thereof. Preferred Stock shall not be issued as patronage distributions. Each series of Preferred Stock shall be subject to any transfer restrictions regarding minimum purchase amount and types of sophisticated purchasers imposed by the Regulations at the time of issuance thereof. Preferred Stock may not be converted into any class of stock other than another series of Preferred Stock. Preferred Stock may be in certificate or book-entry form at the Board’s option. In either case, ownership shall be confirmed and transfers registered by the Association or by a registrar or a transfer agent retained by the Association.

7.06.2. Rights of Series. Preferred Stock may be issued from time to time by resolution of the Board in one or more series, each series being so designated as to distinguish the shares thereof from the shares of all other series and classes. Subject to the limitations set forth in these Bylaws, all or any of the series of Preferred Stock and the relative rights and preferences between series may be fixed and determined by the Board in a certificate of designations adopted by the Board. The rights and preferences of each series of Preferred Stock, when established as set forth herein, shall be deemed to be part of this Article VII.

7.06.3. Dividends. Preferred Stock shall bear either cumulative or non-cumulative dividends, fixed rate or floating rate or a combination thereof, payable in arrears, when, as and if declared by the Board out of legally available funds. Preferred Stock shall be entitled to a preference both as to dividends (and other distributions including patronage distributions) and upon liquidation, dissolution and winding up over all of the Association’s common stock, participation certificates, and allocated surplus (collectively, “Junior Stock”).

7.06.4. Redemption. Preferred Stock is redeemable as specified in the terms of the particular class or series of Preferred Stock. The terms of a series or class of Preferred Stock may allow redemptions of the shares of such class or series, in part or whole: (a) upon a specified maturity date; (b) at the option of the Association, on or after the expiration of a specified “no-call” feature (or at any time if there is no such feature); or (c) at the discretion of the Association, on or after a “Regulatory Event” as specified in the terms of the Preferred Stock, or any combination of the foregoing. Any redemption at the option of the Association shall be at the sole discretion of the Board and subject to any required approval of the FCA or any other governmental or regulatory body applicable to the Association. Each redemption of Preferred Stock shall be at par value, not to exceed book value, plus accrued and unpaid dividends to the redemption date for cumulative Preferred Stock, and at par value, not to exceed book value, plus (to the extent provided in the

terms of the Preferred Stock) declared and unpaid dividends for prior dividend periods and accrued and unpaid dividends (whether or not declared) for the then current dividend period to the redemption date for non-cumulative Preferred Stock. No redemption of Preferred Stock shall occur unless the Association is in compliance with the minimum permanent capital adequacy standards established by the FCA, and redemption of Preferred Stock may be restricted unless the Association is in compliance with each of the core surplus and total surplus requirements established by the FCA or any comparable regulatory capital requirements under any successor Regulations applicable to the Association.

7.06.5. Restriction on Distributions. No Junior Stock shall be retired or otherwise acquired for consideration by the Association unless previously accumulated and unpaid preferred stock dividends have been paid in full or, in the case of non-cumulative preferred stock, the full dividends for the immediately preceding dividend period have been paid in full, and the Association has redeemed the full number of outstanding shares for each outstanding series of term preferred stock required to be redeemed prior to that date.

7.06.6 Lien. To the extent provided for under the terms of the Preferred Stock, the Association, FLCA and PCA, as applicable, shall have a first lien on all outstanding participation certificates owned by a borrower as additional collateral for any indebtedness of the borrower to the Association, PCA and FLCA.

ARTICLE VIII

EARNINGS, SURPLUS, DIVIDENDS, PATRONAGE DISTRIBUTIONS

Section 8.01. Application of Earnings or Losses.

Section 8.01.1. At the end of each fiscal year, the Association shall apply its earnings for such fiscal year as follows and in the order listed:

- (1) To cover operating expenses including additions to loan valuation reserves, in accordance with generally accepted accounting principles and as provided by law;
- (2) To restore the amount of any impairment of all capital stock and participation certificates as provided in Section 7.04 of the Bylaws;
- (3) To restore the amount of any impairment of allocated surplus, in the reverse order of such impairment;
- (4) To create and maintain an unallocated surplus account as provided in Section 8.02 of these Bylaws;
- (5) To pay dividends on capital stock of the Association if authorized;
- (6) To transfer an amount to unallocated surplus deemed necessary for the reasonable needs of the Association;

- (7) To make patronage distributions if authorized pursuant to Section 8.05 of these Bylaws; and

Section 8.01.2. In the event of a net loss for any fiscal year, after applying earnings for such fiscal year as provided in Section 8.01.1 above, such loss shall be absorbed by: first, charges to the unallocated surplus account; second, impairment of “qualified” allocated surplus accounts in the manner determined by the Board; third, impairment of “nonqualified” allocated surplus on a pro rata basis, and fourth, impairment of capital stock as provided in Section 7.04.1.

Section 8.02. Surplus Accounts. The Association shall create and maintain an unallocated surplus account and may maintain an allocated surplus account. The minimum aggregate amount of these two accounts shall be determined by the Association’s Board, provided such amount equals or exceeds the minimum aggregate amount prescribed by FCA. At the end of any fiscal year that the surplus accounts otherwise would be less than the minimum amount prescribed by the Board, the Association shall apply earnings for the year to the unallocated surplus account in such amount as the Association’s Board may determine.

Section 8.03. Allocated Surplus Account.

Section 8.03.1. The Association may create and maintain an allocated surplus account consisting of earnings held therein and allocated to borrowers and other customers (“Patrons”) on a patronage basis pursuant to Section 8.05 of these Bylaws. Allocated surplus may be issued as either “qualified written notices of allocation” or “non-qualified written notices of allocations,” or both, as those terms are defined under Internal Revenue Code (“Code”) Section 1388:

- (a) All allocations in the form of qualified written notices of allocation shall be issued in annual series and shall be identified by the year of issuance. Each such series shall be retired fully or on a pro rata basis, only at the discretion of the Board, in order of issuance by years as funds are available.
- (b) All allocations in the form of non-qualified written notices of allocation shall be issued in annual series and identified by the year of issuance. Each annual series may be subdivided between two or more classes. Each such series, or class thereof, shall be retired at the sole discretion of the Board.

Allocated surplus may not be transferred except upon approval of the Board in its sole discretion. In the event of a net loss for any fiscal year, such allocated surplus account shall be subject to impairment as specified in Section 8.01.2. Allocated surplus may not be applied to satisfy the Patron’s requirement to capitalize the Association under Article VII.

Notwithstanding the foregoing, as provided in the Agreement, for distributions of allocated surplus issued prior to January 1, 2015, each such distribution shall be divided between the AgTexas allocated surplus and the Great Plains allocated surplus in the proportion that the outstanding allocated surplus from each such association bears to the total outstanding allocated surplus as of January 1, 2015 and, in each case, shall be applied to the oldest allocations first.

Section 8.03.2. The Association, PCA and FLCA, as applicable, shall have a first lien on all surplus account allocations owned by any Patron and all distributions thereof as additional collateral for his indebtedness to the Association, PCA and FLCA.

Section 8.03.3. When the debt of a Patron is in default or is in the process of final liquidation by payment or otherwise, the Association may, in the sole discretion of the Board, order any and all surplus account allocations owned by such Patron to be applied on the indebtedness as provided in Section 8.06; provided, however, that allocated surplus evidenced by nonqualified written notices of allocation shall not be applied as an offset against a Patron's debt.

Section 8.03.4. Whenever all of the capital stock and participation certificates of the Association owned by a member are retired or otherwise disposed of, any surplus account allocations owned by such member may also be retired at the sole discretion of the Board only in accordance with Sections 8.03.5 and 8.06 of these Bylaws.

Section 8.03.5. As authorized herein, allocated surplus may be distributed, as approved by the Association's Board, in Class P Common Stock of the Association and/or in cash. The cash proceeds may be applied against the indebtedness of the borrower to the Association. In no event shall such distributions reduce the surplus account below the minimum amount prescribed by the Association's Board or reduce capital adequacy ratios after the payment below the minimum established by Regulations of the FCA or such higher capitalization objectives that have been established by the Board. Any part of a distribution in Class P Common Stock to one owner that is less than \$5.00 may be held by the Association and cumulated with subsequent partial distributions to the owner until the partial distributions equal one whole share of Class P Common Stock. There is no express or implied right granted to a member or other Patron to have allocated surplus retired upon request, upon a date certain or upon the happening of any event.

Section 8.04. Dividends.

Section 8.04.1. Dividends may be paid on the capital stock and participation certificates of the Association, as the Board may determine by resolution. Such dividends may be paid on all classes of common stock and participation certificates. Such dividend should not exceed 8% of the total par/face value of the common stock and participation certificates on which such dividend is being paid. The rate of dividend paid on Class A Common Stock for any fiscal year may not be less than the rate of dividend paid on all other common stock or participation certificates for such year and, similarly, the rate of dividends on Class B Common Stock may not be less than the rate paid on participation certificates. No dividends on common stock and participation certificates shall be paid in any year with respect to which the Association has passed a resolution authorizing the distribution of patronage under Section 8.05.

No dividends on common stock or participation certificates will be declared, paid or set aside for payment unless previously accumulated and unpaid Preferred Stock dividends have been paid in full or, in the case of non-cumulative Preferred Stock, the full dividends for the immediately preceding dividend period have been declared and paid in full, and the Association has redeemed the full number of outstanding shares for each outstanding series of term Preferred Stock required to be redeemed prior to that date.

Section 8.04.2. Dividends on capital stock and participation certificates may be paid in cash, Class P Common Stock or partly in cash and partly in such stock. Any part of such dividends to one owner payable in stock that is less than \$5.00 may be distributed in cash or held by the Association and cumulated with subsequent dividends until the retained dividends equal \$5.00 so that the dividends may be distributed as one whole share of Class P Common Stock.

Section 8.04.3. Dividends on Preferred Stock shall be as set forth in Section 7.06.

Section 8.05. Patronage Distributions.

Section 8.05.1. Subject to the provisions of the Act, Regulations and these Bylaws, prior to the beginning of any fiscal year or other period, the Association's Board may, by adoption of a resolution (the "Patronage Resolution"), obligate the Association to distribute, as a patronage dividend, its available "Patronage-Sourced Net Earnings" for such fiscal year or other period or for that and subsequent fiscal years. Patronage-Sourced Net Earnings shall mean the net earnings of the Association and its subsidiaries from loans and other transactions identified as patronage business ("Patronage Business" or "Patronage Transactions") in the Patronage Resolution. Members and other parties with or for whom the Association conducts Patronage Business ("Patrons") shall have the right to share in the patronage dividend on the basis of the quantity or value of their respective Patronage Business. Any outstanding Patronage Resolution that is not rescinded prior to the beginning of the period to which it relates shall become irrevocable and constitute a binding legal obligation of the Association with respect to such period. Each transaction qualifying as Patronage Business shall include as part of its terms, whether the same has been expressly referred to in said transaction or not, the provisions of this Article VIII of the Bylaws.

Any dividend that is declared by the Board on Preferred Stock or other capital stock and distributed by the Association shall not reduce Patronage-Sourced Net Earnings for the year of the distribution. Such dividends are in addition to amounts otherwise payable to Patrons which are derived from business done with or for Patrons during the fiscal year.

Section 8.05.2. All patronage distributions shall be paid to Patrons in proportion to the amount or value of Patronage Business done with or for each Patron, as determined by the Board on an equitable and nondiscriminatory basis, and within the payment period prescribed by 26 U.S.C. 1382(d). A Patron who pays interest or otherwise contributes to the Association's consolidated net income, as applicable, during the distribution period for which the patronage distribution is made shall be entitled to receive a pro-rata share of the patronage distribution regardless of whether the Patron continues to be a Shareholder or borrower of the Association, FLCA or PCA on the date the declaration of the patronage distribution is made. The Board may establish, on a fair and equitable basis, separate patronage pools or allocation units for Patronage Business transactions of the same type or with similar characteristics. The Board shall determine the amounts and forms of patronage distributions from each pool on a fair and equitable basis.

Section 8.05.3. The available Patronage-Sourced Net Earnings of any fiscal year shall be determined after first making the applications as required in Section 8.01.1, including the setting aside of a portion of the net earnings in the unallocated surplus account, as deemed prudent for sound capital accumulation. The Board may establish a minimum level of available earnings and if the available earnings fall below this level no patronage distribution will be made. Earnings from

transactions that do not constitute Patronage Business will be set aside and applied to unallocated surplus.

Section 8.05.4. Patronage distributions may be in either qualified or nonqualified form and may be in cash, Class P Common Stock of the Association, allocations of earnings retained in an allocated surplus account or any one or more of such forms of distributions, except that, with respect to qualified patronage distributions, at least the minimum amount required to qualify the refund as a deductible patronage distribution for federal income tax purposes to any Patron for any fiscal year shall always be in cash. Cash distributions may not exceed the minimum amount required to qualify the refund as a deductible patronage distribution for federal income tax purposes if the permanent capital of the Association through the payment of patronage would, after such action, fail to meet the minimum permanent capital adequacy requirement established by Regulations of the FCA or such higher capitalization objectives that have been established by the Board. Any part of a patronage distribution in Class P Common Stock to one Patron that is not a multiple of \$5.00 may be distributed in cash or held by the Association for the member and included in a subsequent distribution.

Section 8.05.5. Any part of the patronage distributions to a Patron, except the minimum amount required to be paid in cash to qualify the distribution as a deductible patronage distribution for federal income tax purposes, may at the discretion of the Association, be applied on the Patron's indebtedness to the Association or its subsidiaries.

Section 8.05.5.1. When the debt underlying a Patronage Transaction is in default and has been placed in nonaccrual status, the Patron shall not be entitled to receive, and the Association shall not be obligated to distribute, patronage distributions to such Patron while such debt is placed in nonaccrual status, unless the Patronage Transaction contributed to the Association's income on a cash basis, notwithstanding the nonaccrual status of the debt.

Section 8.05.6. Each person who hereafter applies for and is accepted to membership in this Association and each member of this Association on the effective date of this bylaw who continues as a member after such date, and each person who thereafter applies for and is issued stock or participation certificates of this Association shall, by such act alone, consent that the amount of any distributions with respect to the member's patronage occurring after the date these Bylaws were adopted, which are made in or evidenced by written notices of allocation (as defined in 26 U.S.C. 1388), including patronage allocations of surplus account and patronage refunds paid in Class P Common Stock of the Association, and which are received by the member from the Association, will be taken into account (as income) by the member at their stated dollar amounts in the manner provided in 26 U.S.C. 1385(a) in the taxable year in which such written notices of allocation are received by the member. The foregoing consent shall not apply to any written notice of allocation expressly designated as "nonqualified." Such members also consent by such act alone, to take into account (as income) in the same manner, the amount of any distributions with respect to patronage if the member receives written notice that such amount has been applied on the member's indebtedness to the Association, FLCA or PCA. Consent under this paragraph shall be continuing in effect, provided that it shall cease to be effective with respect to patronage of a distributee occurring after the distributee has ceased to be a member. The terms "member" and "membership" as used in this bylaw shall have the meaning set forth in Article I of these Bylaws.

Section 8.05.6.1. The Association may obtain the written consent of each Patron that the amount of any distributions with respect to the Patron's patronage, which are made in or evidenced by written notices of allocation (as defined in 26 U.S.C. 1388), including patronage allocations of surplus account, patronage refunds paid in stock or distributions with respect to patronage that has been applied to the Patron's indebtedness to the Association, FLCA or PCA and for which the Patron has received written notice, will be taken into account (as income) by the Patron at their stated dollar amounts in the manner provided for in 26 U.S.C. 1385(a) in the taxable year in which such written notices of allocation are received by the Patron. The foregoing consent shall not apply to any written notice of allocation expressly designated as "nonqualified." The form of consent shall be prescribed by the Association's Board, except that it shall be continuing in effect until revoked by the Patron, provided that such revocation shall become effective only with respect to patronage occurring on or after the first day of the first fiscal year of the Association beginning after the revocation is filed with the Association. Such consent may be included as part of the loan application or other appropriate form signed by borrowers. Consent may also be obtained by use of a qualified check in the manner provided for in 26 U.S.C. 1388.

Section 8.05.6.2. Any written notice of allocation made with the member's consent pursuant to the above sections shall be a "Qualified Written Notice of Allocation," and any patronage distribution made in accordance with such written notice shall be a "Qualified" patronage distribution. Any written notice that is not made with the member's consent pursuant to this section shall be a "Nonqualified Written Notice of Allocation," and any patronage distribution made pursuant to such a nonqualified notice shall be a "nonqualified" patronage distribution.

Section 8.05.7. Where the Association arranges for the provision of credit and/or related services to its members through FLCA and/or PCA, and such members avail themselves of the arrangements made and maintained by the Association by borrowing or acquiring related services from FLCA and/or PCA, all net earnings or loss attributable to such provision of credit and/or related services shall be treated as net earnings or loss of the Association from business done with its members and all business done with FLCA and PCA shall be treated as business done with the Association.

Section 8.05.8. No patronage distributions or redemption of allocated surplus will be declared, paid or set aside for payment unless previously accumulated and unpaid Preferred Stock dividends have been paid in full or, in the case of non-cumulative Preferred Stock, the full dividends for the immediately preceding dividend period have been declared and paid in full, and the Association has redeemed the full number of outstanding shares for each outstanding series of term Preferred Stock that are required to be redeemed prior to that date.

Section 8.06. Retirement of Patronage Accounts. If at any time, the Board shall determine that the financial condition of the Association, PCA and FLCA will not be impaired thereby, the Board, in its sole discretion, shall have the power to retire the patronage allocated to any Patron, in full or part, in such events as death or bankruptcy, or to settle a dispute, on such terms and conditions as may be deemed appropriate by the Board, or in any instance in which the interests of the Association and its Shareholders are deemed to be furthered thereby, and funds are determined by the Board to be available for such purpose. Any allocated patronage retired under this section may, at the Board's discretion, be retired at present value based upon the current revolvment cycle, if

any. There is no express or implied right granted to a member or other Patron to have allocated patronage retired upon request, upon a date certain or upon the happening of any event.

Section 8.07. Amendment to Capitalization Bylaws. Amendments to the capitalization bylaws in Articles VII and VIII (including provisions permitting cumulative voting, if any), and the capitalization bylaws of FLCA and PCA, other than technical amendments not affecting substantive rights, shall not be effective without the approval of a majority of the Association's Shareholders voting, in person or by proxy, at a duly authorized Shareholders' meeting. Any amendment authorizing the issuance of preferred stock must be authorized by a majority of the shares voting of each class of equities adversely affected by the preference, voting as a class, whether or not such classes are otherwise authorized to vote.

ARTICLE IX

INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS

Section 9.01. Indemnification.

(a) The Association shall indemnify, to the fullest extent permitted by law, any director, officer or employee who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he/she is or was a director, officer or employee of the Association, or is or was serving pursuant to authorization in writing by the Association's Board or its President or his/her delegate as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, unincorporated association, joint venture or entity, trust, retirement or other employee benefit plan or other organization or entity, against expenses (including attorney's fees), judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

(b) The Association may indemnify any agent of the Association to the same extent as and under the same provisions applicable to directors, officers and employees, but only by specific action of and to the extent designated by the Board.

(c) As used in this Article, "party" means a defendant or respondent in an action, suit or proceeding.

Section 9.02. Additional Indemnification Provisions. Notwithstanding any other provision of this Article, a director, officer or employee of the Association who has been wholly successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in Section 9.01 of this Article to which he/she was a party shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

Section 9.03. Procedure. Any indemnification under Section 9.01 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer or employee is proper in the circumstances. Such

determination shall be made (1) by the Board by a majority vote of directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (2) if such a majority is not obtainable or, even if obtainable, a majority of disinterested directors so directs, by independent legal counsel in a written opinion. For the purposes of this Section 9.03, independent legal counsel shall be selected by a majority vote of disinterested directors or, if such a majority is not obtainable, by the Board.

Section 9.04. Advances of Expenses. Notwithstanding the provisions of Section 9.03, reasonable expenses incurred in defending any action, suit or proceeding referred to in Section 9.01 shall be paid by the Association in advance of the final disposition of such action, suit or proceeding if the director, officer or employee shall undertake in writing to repay such amount to the extent that it is ultimately determined, as provided herein, that such person is not entitled to indemnification for such amount. Advances of expenses shall be made promptly and, in any event, within 30 days upon the written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if and to the extent a determination is reasonably made pursuant to Section 9.03 that the director, officer or employee is not entitled to indemnification for such expenses pursuant to Section 9.01.

Section 9.05. Right of Claimant to Bring Suit.

- (a) If a claim for indemnification or advancement under this Article is not paid in full by the Association within thirty days after a written claim therefore has been received by the Association, the claimant may at any time thereafter bring suit against the Association to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Association) that the claimant has not met the standards of conduct which make it permissible under the applicable law for the Association to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Association.
- (b) Neither the failure of the Association (including its Board or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he/she has met the applicable standard of conduct, nor an actual determination by the Association (including its Board or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 9.06. Contractual Rights. The right to be indemnified or to the reimbursement or advancement of expenses pursuant to this Article (i) is a contract right based upon good and valuable consideration, pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Association and the director, officer or employee, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto. However, this

Article does not constitute a contract of employment or any terms and conditions of employment and does not alter the employment status of any employee.

Section 9.07. Requested Service. Any director, officer or employee of the Association serving, in any capacity, (i) another entity of which a majority of the securities entitled to vote in the election of its directors or comparable executives is held directly or indirectly by the Association and/or other System entities, (ii) any employee benefit plan of the Association or of any entity referred to in clause (i) above, or (iii) any committee, subcommittee, special asset group or other similar body related to the System, shall be deemed to be doing so pursuant to authorization in writing by the Board.

Section 9.08. Other Rights. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advance of expenses may be entitled under any insurance or other agreement, vote of directors or otherwise, both as to actions in their official capacity and as to actions in another capacity while holding an office and shall continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association or who is or was serving in any of the capacities referred to in Section 9.01 against any liability asserted against him or incurred by him or her in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him or her against such liability under the provisions of this Article.

Section 9.09. Waiver of Claims Against Director. To the fullest extent not prohibited by law, a director of the Association shall not be liable to the Association or its Shareholders or Members for monetary damages for an act or omission in the director's capacity as a director, except that this does not eliminate or limit the liability of a director to the extent the director is found liable for: (1) a breach of a director's duty of loyalty to the Association or its Shareholders or Members; (2) an act or omission not in good faith that constitutes a breach of duty of the director to the Association or an act or omission that involves intentional misconduct or a knowing violation of the law; (3) a transaction from which a director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or (4) an act or omission for which the liability of a director is expressly provided by an applicable statute.

Section 9.10. FCA Penalties Notwithstanding any other provision in this Article, the Association will neither indemnify, nor purchase or maintain insurance to indemnify, directors, officers, employees or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the Association, FLCA and/or PCA.

ARTICLE X

GENERAL PROVISIONS

Section 10.01. Checks, Contracts, Loans. All checks or demands for money and notes of the Association shall be signed by such officer or officers or such other person or persons as the Board

may from time to time designate. The Board may authorize any officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Association, and such authority may be general or confined to specific instances. No loans shall be contracted on behalf of the Association, and no evidence of indebtedness shall be issued in its name unless authorized by a resolution of the Board. Such authority may be general or confined to specific instances.

Section 10.02. Fiscal Year. The fiscal year of the Association shall end on the last day of December in each year unless otherwise fixed by resolution of the Board.

Section 10.03. Seal. The Board may adopt a seal for the Association which shall be in such form as the Board may determine. The seal may be used in causing it or a facsimile of it to be impressed, affixed or otherwise reproduced as the seal of the Association.

Section 10.04. Amendments. These Bylaws may be amended by a vote of a majority of the entire membership of the Board unless applicable law or Regulations or these Bylaws require an amendment to be approved by Shareholders, in which event such approval shall be obtained. Subject to Section 8.07, amendments to the capitalization bylaws (Articles VII and VIII including provisions permitting cumulative voting, if any) or to the capitalization bylaws of FLCA or PCA, other than technical amendments not affecting substantive rights, require the approval of a majority of the Voting Shareholders determined as of the Record Date voting, in person or by proxy, at a duly authorized Shareholders' meeting.

Any amendment authorizing the issuance of preferred stock must be authorized by a majority of the shares voting of each class of equities adversely affected by the preference, voting as a class, whether or not such classes are otherwise authorized to vote.

The notice of the intent to consider adoption of a Bylaw amendment by the Board or the Voting Shareholders must contain the exact language of the proposed amendment in order for a vote upon the amendment to be effective.

Section 10.05. Effective Date. These Bylaws shall become effective on the date of adopted by the Board in the Certification Section of these Bylaws. Amendments hereto shall become effective pursuant to the Board resolution adopting said amendment, except to the extent Shareholder approval is required by applicable law or Regulations, and to that extent amendments shall be effective upon approval of the Shareholders.

Section 10.06. Unclaimed Property. The Association shall seek to pay to the owners the proceeds of any retirement of Stock and participation certificates and any accrued dividends or patronage refunds. In the event the Association is unable to determine the address or whereabouts of the owner or the heirs and assigns of the owner, any funds held by the Association may be subject to disposition in accordance with state escheat laws.

Section 10.07. Records and Reports. Copies of the organization papers of the Association, returns of Association elections, proceedings of all regular and special meetings of Shareholders and directors, the Bylaws and any amendments thereto, resolutions of the Board and reports of all committees shall be recorded in the minute books of the Association. The minutes of all committees and of the Board shall be signed by the person acting as secretary of the meeting. To protect the confidentiality of the resolutions adopted by the Board in casting the ballots for Bank

Board of Director members, the minutes shall reflect only that balloting was held and the ballot submitted to FCB or the independent tabulator, as the case may be. At such times and in such manner as may be required by applicable law and Regulations and generally accepted accounting principles, the Association shall make available to each Shareholder a written financial report, including a statement of income and expense and a statement of condition. To the extent required by FCA, such reports shall be on a consolidated basis including the PCA and FLCA.
